Dear Requester,

Thank you for your request for information dated 23/11/2023 about **asylum seeker accommodation complaints in private sector housing.** We have dealt with this under the Freedom of Information Act 2000.

Response

The council holds the information requested and the answers to your questions are as follows:

For each of the years 2019/20, 2020/21, 2021/22, 2022/23 and 2023/24 (from April 2023 and up to the most recent month for which data is available), can you provide the following:

. The number of complaints that your council received about the conditions of private rented accommodation being used to house asylum seekers in your borough.

Clarification Point: ***Which group of 'asylum seekers' are you referring to. This may be read as children, adults only or adults with children.***

My response: ***By 'asylum seekers' I am referring to anyone living in Camden who has applied for asylum. This would therefore include adults, children and adults with children.***

. How many of these complaints were inspected by council officers in each year.

. The number of times that enforcement action was taken against as a result of these complaints.

We have not received any complaints concerning asylum seeker accommodation for the years requested.

Further Information

We do not give our consent for any names and contact details provided in this response to be sent marketing material. Any such use will be reported to the ICO as a breach of General Data Protection Regulations and the Privacy and Electronic Communication Regulations.
