Dear Requester

Thank you for your request for information dated 31/07/2023 about **the most recent Microsoft Licensing Statement, how the council's software licensing has been**. We have dealt with this under the Freedom of Information Act 2000 (FOIA).

Response

The council does not holds the information requested:

Please supply me with a copy of your most recent Microsoft Licensing Statement (MLS). I am not requesting this information to generate business, we are not looking to buy or sell software licences to Camden Council, we are only interested to see how the council's software licensing has been over the years

We do not hold this information. This is because we have never requested a Licensing Statement from Microsoft.

The Freedom of Information Act only gives access to information held by public authorities and does not require them to create or obtain information from third parties where – with reference to Section 3(2)(b) of the FOIA - they do not hold any relevant information on our behalf.

You have made a number of related requests and we will have to consider whether under s14 (1) of the FOIA any future requests should be refused as vexatious.

Further Information

We do not give our consent for any names and contact details provided in this response to be sent marketing material. Any such use will be reported to the ICO as a breach of General Data Protection Regulations and the Privacy and Electronic Communication Regulations.

Why not check our Portal Open Data Camden before making a new request as your question may already be answered by a previous FOI response or in one of our many useful and interesting datasets.
