  This question is withheld under Section 40(2) of the Freedom of Information Act 2000. See the refusal notice below.

Section 40(2)
The council has withheld this information under the absolute exemption in Section 40(2). The information withheld is personal information because it allows a living individual to be identified, or information relating to an identified or identifiable living individual.

In this instance the young people themselves might be able to identify themselves if we were to provide the additional data.

We have considered the legitimate public interest in disclosure against the interests of the data subject/s and concluded that disclosure would contravene the principle in the General Data Protection Regulation that personal data is processed fairly and lawfully. In the circumstances of the case disclosure would not be fair to the individuals particularly considering that Freedom of Information responses are public documents and published to the world and not provided just to the requester.

We do not give our consent for any names and contact details provided in this response to be sent marketing material. Any such use will be reported to the ICO as a breach of General Data Protection Regulations and the Privacy and Electronic Communication Regulations.
