Dear Requester

Thank you for your request for information dated 04/05/2020 about housing homeless people. We have dealt with this under the Freedom of Information Act 2000.

**Response**

**How many homeless people has your authority housed in the following months**

- **January 2020**
- **February 2020**
- **March 2020**
- **April 2020**

We are refusing your request under section 12 on cost grounds because we estimate that compliance with your request will exceed the "appropriate limit". This is £450 which is equivalent to 18 hours at £25 per hour. The per hour figure is set by Regulations rather than actual salary paid to any officers handling requests. The appropriate limit includes the time it will take the council to discover if it holds the information requested, to locate it, extract it and collate it as well as putting it into any particular format requested by the requester.

We have calculated that it will take approximately 4 ½ hours for each month to gather the data, making 18 hours in total.

Unfortunately due to the current Covid-19 pandemic, the Housing Needs department is under extreme pressure to support its residents who are suffering with homelessness at this time. The team does not have the capacity to provide the resource that it would be able to in normal times, to search through its database to calculate the information requested. The information is not centrally recorded at this time, and to locate and retrieve this information would require a manual file read of each record to retrieve this information.

**Advice and Assistance**

As advice and assistance, if you wish to make this request in the future after the Covid-19 pandemic, once the team is returning to its normal work load then we will be able to provide the information.

**Further Information**:

We do not give our consent for any names and contact details provided in this response to be sent marketing material. Any such use will be reported to the ICO as a breach of General Data Protection Regulations and the Privacy and Electronic Communication Regulations.

Why not check our Portal Open Data Camden before making a new request as your question may already be answered by a previous FOI response or in one of our many useful and interesting datasets.

**Your Rights**
