Dear Requester

Thank you for your request for information dated 12/08/2025 about **planning permission expiry dates.** We have dealt with this under the Freedom of Information Act 2000 / Environmental Information Regulations 2004.

Response

The council holds the information requested and the answers to your questions are as follows:

The following planning permissions have passed their three-year expiry date and have not been built.

Please could you tell me whether they have (1) Lapsed and are now unable to be built or (2) Are still able to be built because, for example, a material operation has been carried out to implement the permission.

Planning Reference 3-Year Expiry Date

2019/6354/P 11/08/2024

2020/2470/P 30/10/2023

2019/0910/P 12/03/2023

This information is already publicly available. The question is about whether the 3 specified planning permissions were lawfully implemented and therefore remain extant. This is a legal question and the way in which it is considered is through a certificate of lawfulness. You can search our planning application records for each of the 3 sites on the planning portal of our website to see if one has been granted. Please enter the links below into your web browser and search using the planning application reference numbers:
