Dear Requester

Thank you for your request for information dated 24/09/2019 about wheelie bins. We have dealt with this under the Environmental Information Regulations 2004.

**Response**

The council holds the information requested and the answers to your questions are as follows:

**Could you please let me know what the duties are of the caretaker regarding distances that the caretaker can move wheelie bins at 50 Fitzjohns Avenue NW3 5LT**

The Council does not have a set distance that Caretakers are required to move bins, however any distance would need to be reasonable and safe to do so. If we were to have concerns regarding this, a risk assessment would be carried out to determine any actions moving forward.

However the Estate Services Manager is currently working, in conjunction with the TRA, on the redesign of the forecourt at this property. This includes the relocation and redesign of the refuse/recycling facilities.

Part of the conversations with residents has included the need to re locate the refuse area in order to meet Veolia's requirement in terms of how far they are contractually obliged to move bins.
