Dear Requester

Thank you for your request for information dated 14 November 2019 about Aurety Limited. We have dealt with this under the Freedom of Information Act 2000.

Response

The council holds the information requested and the answers to your questions are as follows:

I would like to request the following information about Aurety Limited:

1. Has the council carried out any due diligence on Aurety? If so, can you detail the rationale of the due diligence, what has been carried out, the dates and by which department?

All projects are subject to successful due diligence checks. Aurety do not work with vulnerable adults, children or young people in Camden. As such our checks have been proportionate. They were carried out by the Prevent service in September 2019.

2. How many council meetings have any representatives of Aurety been invited to/will be invited from 2017 to 2020? If so, please share dates and minutes of these.

On 10.06.19 a meeting was held for introductions only and no minutes were taken. On 25.09.19 there was a Prevent Community Roundtable Event. An Aurety representative came as a guest speaker to introduce the organisation to Camden residents and take questions. This was not minuted.

3. How many council meetings have any representatives of Aurety attended from 2017 to present day? If so, please share dates and minutes of these.

Please see response above.

4. Has Aurety contributed to any Community Safety Partnership meetings? If so, what dates were these, what were the outcomes and please share the minutes of the meetings.

No they have not.

5. Has Aurety contributed to the councils Prevent strategy for 2018/2019 and/or 2019/20? If so, how?

Yes, by undertaking work aimed at empowering women to support their children from a range of harms thereby reducing the risk of radicalisation and other harms by building resilience in our local community.

6. Has Aurety delivered any programmes in schools with the local authority? If so, please share dates, where these were delivered to and the nature of the programmes.

No they have not.

Further Information:

Why not check our Portal Open Data Camden before making a new request as your question may already be answered by a previous FOI response or in one of our many useful and interesting datasets.
