Dear Requester

Thank you for your request for information dated 28/06.2021 about registered pubs**.** We have dealt with this under the Freedom of Information Act 2000.

Response

I am writing to you under the Freedom of Information Act 2000 to request the following information. Please may you provide me with:

1. The number of registered pubs that have closed between 1st March 2020 and 31st May 2021.
2. The number of registered pubs that have been bought between 1st March 2020 and 31st May 2021.
3. The number of pubs that have been sold between 1st March 2020 and 31st May 2021.
4. The number of applications made to transfer a license from one holder to another between 1st March 2020 and 31st May 2021.
5. The number of pub licenses that have been surrendered between 1st March 2020 and 31st May 2021.
6. The number of pub licenses that have lapsed between 1st March 2020 to 31st May 2021.

We are refusing your request under section 12 on cost grounds because we estimate that compliance with your request will exceed the "appropriate limit". This is £450 which is equivalent to 18 hours at £25 per hour. The per hour figure is set by Regulations rather than actual salary paid to any officers handling requests. The appropriate limit includes the time it will take the council to discover if it holds the information requested, to locate it, extract it and collate it as well as putting it into any particular format requested by the requester.

We have calculated that it will take at least 166 hours to comply with your request. We have at least 5000 license records in our database. If it took at least 2 minutes to check each licensed record, then it would take at least 166 hours to provide all the information for questions 5 & 6, as to obtain the information requested would involve manually reading each record. It is not possible to run a report to gather the information for questions 5 & 6.

Advice and assistance:

As advice and assistance, I can inform you that the Council does not hold the information for questions 1, 2 and 3. I can also inform you that for question 4 there have been 15 transfers.

Further Information:

We do not give our consent for any names and contact details provided in this response to be sent marketing material. Any such use will be reported to the ICO as a breach of General Data Protection Regulations and the Privacy and Electronic Communication Regulations.

Why not check our Portal Open Data Camden before making a new request as your question may already be answered by a previous FOI response or in one of our many useful and interesting datasets.
